EDUCATION:

Associate of Applied Science:
Game Design

Austin Community College —
Austin, TX

01/2022 – 08/2026

PROFESSIONAL SUMMARY:

Passionate about game design and creating engaging user experiences. Enjoys collaborating with teams to develop creative solutions and bringing ideas to life.

GAME EXPERIENCE:

CREATIVE LEAD

Friendly Fire — Austin, TX

11/2025-08/2026

- Led a team of 13 developers through a full development cycle, finished in scope with time for polish
- Wrote an evolving wiki with documentation on both external services (GitHub, PixelCrushers, MeshBaker) and internal scripts to assist non-technical personnel

GAME DESIGNER

Mooncast Productions — South Padre Island, TX

05/2024 – 02/2025

- Created detailed documentation outlining game design concepts and systems
- Created demos of game mechanics within Unity

JUNIOR GAME DESIGNER

Gala Games — Austin, TX

07/2022 – 08/2022

- Delved deep into existing design questions and generated answers that conformed to the core tenets of the game
- Collaborated with team members during brainstorming sessions to develop gameplay ideas

DESIGN CONSULT

Monkey Gun Games — Austin, TX

06/2018 – 07/2020

- Pushed the bounds of existing game rules to find the boundary of fun and unplayable
- Utilized rapid iterative design and playtests while focusing on player experience

ADDITIONAL INFORMATION:

- ❖ Held both the Creative Lead and Lead Programmer roles on *Friendly Fire*
- ❖ Team member of the successfully Kickstarted card game *Tales of the Fabulist*
- ❖ Documentation from *Friendly Fire* requested by Austin Community College professors
- ❖ Frequently steps into leadership and mentor roles when qualified.
